

Dear Prof. Slavomíra Filipová

## **Slovak Society of Hypertension**

On behalf of the Organizing Committee, we would like to inform you that The 2nd International Conference on Prehypertension and Cardio Metabolic Syndrome is due to take place in Barcelona, Spain from January 31 - February 3, 2013.

The Conference will aim to deal with all aspects related to early diagnosis, including innovative technologies and treatments, as well as bringing together professionals from the fields of Hypertension, Diabetes, Lipidology, Cardiology, Nephrology, Endocrinology, Internal Medicine, Pharmacology and more.

We would be pleased and honored if you would consider endorsing our conference. As an Endorsing society we would like to ask you for the following cooperation:

Send a newsletter on our behalf to your members, informing them about our conference. We will do the same on your behalf to our contacts. Publicize our conference on your website or on your event calendar, in exchange, we will publicize your Society and its upcoming events on the Prehypertension 2013 website. We will provide you with the opportunity to distribute your organization's marketing materials in either the delegate bags or at the future meetings table.

We hope that your society will agree to endorse our conference and work together with us.

Should you not be able to endorse our conference, we would appreciate your assistance by adding the conference: [www.prehypertension.org](http://www.prehypertension.org) to your website or calendar of events, as well as informing your society members and colleagues of this upcoming conference in order to make sure that as many specialists as possible are aware of this opportunity.

In addition, we are pleased to offer group registration for the Conference for groups over 15 participants. If you are interested in this opportunity, please do not hesitate to contact the Conference Secretariat.

Join the PreHT 2013 online community on LinkedIn, Twitter and Facebook. Participate in discussions, exchange ideas and knowledge and build your professional network by being a part of the PreHT 2013 community.

For further information about the conference, we invite you to visit the website: [www.prehypertension.org](http://www.prehypertension.org).

I look forward to your earliest reply,

Sincerely,

Sarah Krein
